Andrew, Sarah, & Cora's Colorful Mission Adventure

September 2022

## French Study and Grandparents

We spent July in Annecy, France. We completed 4 weeks of French class, and have already seen improvement in our communication abilities here in Cameroon! We also enjoyed the ease of being able to walk everywhere... the grocery store, the lake, restaurants, etc! It was a refreshing time, as we asked for in prayer. The grandparents came to take care of Cora while we were in class. They had lots of fun, hugs, and good naps. We are so thankful for them and the time in France!

### Praise!

- ☆ We learned lots of French and were refreshed by our time in France.
- ☆ The new director and teachers arrived to start the new school year!
- ☆ We have roles that we enjoy, teaching art and Bible, and a beautiful group of students and staff to work with.

### Please pray:

- ☆ For wisdom and energy for our teaching. Pray that God would use us to impact lives.
- ☆ Pray for Andrew as he works on starting up the worship team and a new group that will do tech support for the worship team.
- ☆ We're working out a new schedule, including childcare for Cora during some of our teaching time. Pray that she would adjust and feel secure.
- ☆ Continue to pray for community... That God would help us reach out and develop friendships here.

## Back to School!!

School started Aug 10, so we came back and hit the ground running. It's nice to have a year of experience under our belts, but there's still plenty to learn, especially for Andrew as all his classes have new content. Sarah did something new too... leading chapel! We are also excited to report that prayers were answered for the new director and returning/new teachers to come. We are thankful for a good team to work with.
